

# Deondre's christmas List!

Dear Santa,  
I've been a good kid all year  
and I want to tell you what  
I want for christmas. The first  
thing I want is a hoverboard.  
I've never rode one before and  
I would love to try it. Another  
thing I want is a Nintendo switch  
because it's my dream to have one.  
Something else I want is a new  
scooter because my friend broke my old  
one. I want 3 100 Roblox gift  
cards and a pokemon binder. Another  
thing I want is posca markers.  
Another thing I want is a phone case  
for a iPhone 15, and for the phone  
case I want an iPhone 15. Last  
thing I want is an iPad.
