

Dear Santa

By Lila Amos

I've wanted a lot of things ^{for} Christmas but this year I wouldn't say I want a lot but I want ~~enough~~ enough though. I've ~~always~~ always thought that cookies & milk wasn't enough for you, I mean after all you do give many presents for me and my siblings! But cookies & milk don't seem like enough! Why don't you ever get presents like us? Still very questionable to include ~~them~~ ~~them~~ ~~them~~ but here's my list. 

I want, hella k posters, more beanies, a \$100 apple gift card, apple watch, dunk's, cute PJ's, more perKume, Sephora gift card \$100 or more, different ~~beauty~~ Flare paints, bracelets, Ugg's, ~~skin care~~, hello kitty skin care
