Dear Santa,  
My name is Dexta [redacted]  
I am 5 years old. I have a  
learning disability that requires  
attention. I am in a small  
class at my school. I love  
to play with cars and I like  
learning toys. My favorite  
subject is math. Santa I  
pray I get everything I ask  
for, for XMAS. Santa I  
have been very nice this  
year. Santa Clause I love  
you and may you bless all  
the kids in the world.

Your truly,  
Dexta [redacted]
